Good all round!
And value for money.

Vanis 2
Vanis 2 gets
you further.

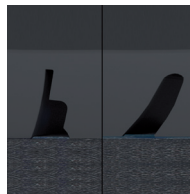

Miles and more economical – driving without limits.

Exceptionally good in all driving conditions.

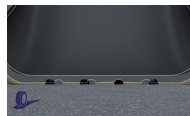

Precise handling and good directional stability on winding roads.

Precise handling is one of the tyre's strengths. No matter if the driving conditions are wet or dry, it is the perfect medium to connect your vehicle to the road.

Short wet braking distances.

With perfect grip and short braking distances even in the rain, the Bravuris 3^{HM} is the total package.

High mileage performance.

The Bravuris 3^{HM} has a flat contour, which keeps the rubber abrasion and wear especially low.

Bravuris 2

Bravuris 4x4

The economical high performer.

Barum's fast all-rounder for long-lasting fun.

Balanced handling and fun at the wheel on wet and dry roads.

On both dry and wet asphalt, the Bravuris 2 keeps its grip on the road thanks to balanced driving response.

Greater protection against aquaplaning and better driving characteristics in the wet.

Good wet grip reduces the risk of aquaplaning and ensures precise steer ability at all times.

Shorter braking distances and better directional stability.

Superior power transmission ensures controlled braking with short stopping distances and provides the highest level of safety.

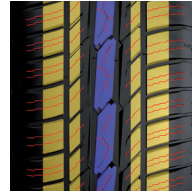

You can count on having lots of fun at the wheel!

Good grip, good price, good deal.

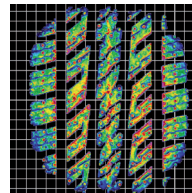

High safety and short braking distance on wet and dry roads.

Active drivers appreciate the precise handling of the Bravuris 4x4, even when pushed to the limit. It offers safety in braking on dry and wet roads.

Increased driving comfort and no annoying tyre noise when travelling.

The ideal tread ensure that the tyre's movement over the road is smooth, quiet and comfortable.

High mileage performance for a long service life.

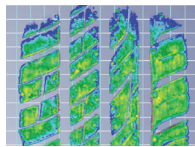

Driving need not be expensive, especially when high performance results in longlasting driving enjoyment.

Brillantis 2

Vanis 2

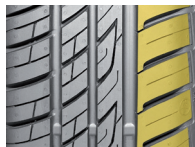

Good all round!
And value for money.

Performance, steering precision, long service life.

High mileage.

With its long life, the Brillantis 2 reduces costs and provides excellent mileage performance.

Greater safety during critical steering manoeuvres.

Even with extreme steering manoeuvres, the tyre keeps the vehicle on track.

Greater protection against aquaplaning and shorter braking distances on wet roads.

The tyre's asymmetrical profile helps the driver stay in control in wet driving conditions, even when aquaplaning.

Low rolling noise.

The Brillantis 2 glides smoothly over asphalt and eliminates unpleasant driving noise. It is quiet and very comfortable.

Vanis 2 gets you further.

The mix makes the difference: the smooth riding fuel saver.

High level of safety thanks to short braking distances on dry surfaces.

The Vanis 2 brings drivers and passengers very safely to their destination. The robust profile shortens the braking distances, even on wet surfaces.

Excellent price-performance ratio thanks to improved mileage.

High performance meets low costs. This economical tyre really proves its worth over the long-term.

Increased driving comfort thanks to reduced noise level.

Especially on long routes, the quiet ride greatly increases comfort.
