Bravuris 3^{HM}

Miles and more economical - driving without limits.

Feature

A wide, flat contour with a large number of pitches and sipes

Effect

Even pressure distribution and reduced block deformation on the ground contact area

Customer benefit

Higher mileage thanks to reduced and even wear

Delivery Program

- Speed symbol T/H/V/Y
- Rim size in inches 14 - 21
- Tyre width in mm . 175 – 295
- Tyre cross-section Serie 35 - 55

Bravuris 2

The economical high performer.

Feature

Optimized tyre $contour\,and\,modern$ silica tread compound

Optimized ground pressure distribution for reduction of the

Customer benefit

High mileage performance

Delivery Program

- Speed symbol H/V/W/Y
- Rim size in inches 15 - 20

- Tyre width in mm 195 - 265
- Tyre cross-section Serie 35 - 65

Brillantis 2

Feature

Asymmetrical tread

outer shoulder

pattern with solid

Effect

Good all round! And value for money.

Increased lateral stiffness in the outer shoulder lugs

Customer benefit

Greater safety during critical steering manoeuvres

Delivery Program

- Speed symbol
- Rim size in inches 13 - 18

Tyre width in mm 135 – 265

Tyre cross-section Serie 60 - 80

Polaris 3

Black on white - the price is right.

Feature

• 'Snow catcher' along the longitudinal

grooves

Effect

'Snow catcher' stops the snow from slipping through the groove

Customer benefit

Optimised settingoff and braking in snow

Delivery Program

- Speed symbol T/H/V
- Rim size in inches 13 - 19

- Tyre width in mm 135 – 265
- Tyre cross-section Serie 40 - 80

Barum car tyres

Feature

Extra-flat tyre contour, stiff tyre design

Effect

Reduced slip, even ground pressure distribution

Customer benefit

High mileage performance **Delivery Program**

Speed symbol

Rim size in inches

Tyre width in mm 205 – 255

Serie 55 - 80

Tyre cross-section 15 - 18

Barum 4x4 tyres

Vanis 2

Vanis 2 gets you further.

Feature

Three wide circumferential drainage grooves Effect

Water drains quickly when driving on wet surfaces

Customer benefit

Reduced risk of aquaplaning

Delivery Program

Speed symbol Q/R/T

Rim size in inches 14 - 16

Tyre width in mm 165 – 235

Tyre cross-section Serie 65 - 80

SnoVanis 2

Feature

High sipe density combined with snow pockets in the outer grooves

Increased number of gripping edges and improved snow-tosnow interlock

Customer benefit

Short stopping distances and optimal traction on snow covered road surfaces **Delivery Program**

Speed symbol O/R/T

Rim size in inches 14 - 16

Tyre width in mm 165 – 235

Tyre cross-section Serie 60 - 80

Barum van tyres
