**II. Test report**

The approval tests of submitted samples were conducting in collaboration with Aeronautical Research and Test Institute in Prague. The technical data and the test results are indicated in enclosure of this Technical Report.

**III. Enclosures**

Test Report No.B28010/04: Vaporiser/Pressure regulator with shut-off valve

Manufacturer's information folder: 28 sheets  
of 5 March 2004

---

Test equipment, facilities and test site meet the requirements of the applicable legislation.

This report must never been reproduced incomplete without a written agreement of the testing laboratory (exemption is the use of testing results in approval documentation).

---

**IV. Final confirmation**

The described component type

**complies**

with the requirements of the ECE Regulation No. 67.01 for issue of approval certificate
