

### Physical Properties:

Colour	Colourless Spray
Odour	Lemon

## Air Con Cleaner

### Product Features:

- A one-shot aerosol treatment designed to eliminate bacteria, fungi, moulds and viruses from automobile air conditioning units.
- Suitable for all types of cars, vans and trucks.
- Deodorises upholstery and carpets so especially useful in taxis, minibuses and other public service vehicles.
- Complete treatment takes only 10 – 15 minute.

### Direction of use:

1. Keep aerosol at room temperature before use.
2. Start engine & put A/C system on re-circulation position & on full power.
3. Move front passenger seat forward & incline its back forward.
4. Place can behind front passenger seat, activate & close door.
5. Once aerosol is empty, allow A/C to run for 5 minutes.
6. Switch off engine & ventilate the vehicle.

### Handling:

- Caution pressurized container: protect from sunlight and other heat sources.
- Refer to Material Safety Data Sheet.

### Shelf Life:

- 3 years from date of manufacture.
- Manufacture date can be identified as follows; first letter denotes the year (letter for 2019 is M), second letter denotes the month (letter for August is H), numbers denote the day of the month.  
For example: MH13 = 13th August 2019, NA26 = 26th January 2020.
