### Approved testbenches for Continental CR injectors

Dear Sir or Madam,

in the following we would like to inform about the testbenches which are currently approved to test Continental CR injectors.

Manufacturer	Hartridge		Carbon Zapp	
Models	CRI-PC		CRU2.R, CRU4.R, MTBR	
Generation	EU3/EU4		EU5	
Approved for Continental CR systems	5WS40148-Z	CR injector DV4 EU3	A2C9626040080	CR injector VW
	A2C59511612	CR injector DV4 EU4	A2C59513556	CR injector DV6C
	5WS40156-4Z	CR injector DW10B class 4	A2C59513484	CR injector K9K EU5
	5WS40156-Z	CR injector DW10B class 5	A2C59507596	CR injector K9K Gen6
	A2C59511601	CR injector DW10B class 6	A2C59517051	CR injector Puma
	A2C59511602	CR injector DW10UTED MFMA	A2C8139490080	CR injector Puma Ford Ranger
	A2C59511603	CR injector DW10B MFMA cl. M	2910000177400	CR injector Puma JLR
	A2C59511606	CR injector K9K EU4	A2C3999700080	CR injector Sprint
	A2C59511610	CR injector LYNX EU4		
	A2C59511611	CR injector LYNX V227		
	A2C59511315	CR injector Lion V6 JAG EU 3		
	A2C59511316	CR injector Lion V6 DT17 EU4		
	A2C59511364	CR injector Lion V6 Land Rover		
	A2C59513553	CR injector Lion V6 Upgrade		
	A2C59513596	CR injector Lion V8		
	A2C59513597	CR injector Lion V8 174		
	A2C59515264	CR injector MWM IESA		

Please note that testing Continental CR injectors on non-approved testbenches can lead to irreparable damages on the injector. In case of a claim the failure root cause can't be analyzed anymore which means the claim will be rejected.

In case of any questions please don't hesitate to contact us.
