FAKUM

Engine Oil

Dear Mrs. Lewandowska,

Analysis of the engine oil

Revlina Ultra Force C3 SAE 5W-30 (Öl-Code: IME1312267-A)

has shown that product in question meets the requirements in accordance with VW Standard 504 00 and VW Standard 507 00. This engine oil is therefore suitable for use in our vehicles with LongLife Service (petrol and diesel engines, including diesel engines with particulate traps without fuel borne catalyst) in accordance with the Owner's Literature for our products.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

"approved under VW Standard 504 00 and VW Standard 507 00"

This approval is only valid for the following production site:
Flukar Sp.z.o.o., 38-200 Jaslo, ul. 3 Maja 101, Poland

Please note that this approval expires after 36 months, at which point compliance with the then valid VW standards must be verified again.

Yours sincerely,

i.V. 

Dr. Heintz

i.V. 

Dr. Fölster

We are pointing out that this letter only addresses whether product reviewed meets the VW standards. We do not address or express any view on compliance with national chemical inventories, the marketability in any sales market or the compliance with local chemical substances laws or other applicable laws. Responsibility for compliance with such legal requirements falls to the engine oil maker, importer or distributor. It is pointed out that approvals from Volkswagen for manufacturers and distributors are granted on the basis of confirmation of compliance with the requirements of Volkswagen Group concerning sustainability in the relations with business partners. That includes environmental protection, human rights and labor rights of employees, transparent business relations, fair market behavior, duty of care to promote responsible raw material supply chains, integration of sustainability requirements in organization and processes.
