

**Vehicles with Start-Stop technology and increased energy needs.**

The VARTA Dynamic EFB is the perfect choice for drivers who value dependability. Designed for Start-Stop technology vehicles with standard electronic features, it delivers extra starting power for confident starts, backed with twice the lifespan of a conventional battery. Smooth, consistent performance on every drive. VARTA batteries meet all the standards of OE manufacturers. Engineered in Germany, VARTA batteries deliver precision performance and lasting reliability.

**VEHICLE KEY BENEFITS**

**Start-Stop**

Best start-stop performance for maximum fuel economy – as the start-stop-system can be operated as often as possible.

**2x cycle life**

2x cycle life compared with a conventional battery.

**Reliable performance**

Trusted power for vehicles with entry level Start-Stop systems.

**Original equipment spare part**

Meets all OE criteria from the vehicle manufacturer.

**Engineered in Germany**

Engineered with precision and expertise in Germany.

**Maintenance-free**

Maintenance-free battery designed to deliver dependable performance for your vehicle.
