## **TECHNICAL DATA SHEET**

Type No.: EFB 130D31L(T110) Created : 05.02.2022 Modified : 05.02.2022

| PERFORMANCE               |         |     | CONTAINER                       |                                 |                   |
|---------------------------|---------|-----|---------------------------------|---------------------------------|-------------------|
| VOLTAGE(V):               | 12      | V   | Group:                          | D31                             | Black             |
| C20(Ah):                  | 90      | Ah  | Hold Down:                      | B1                              |                   |
| RC(min):                  | 160     | min | Please refer to the cata        | alog or our website for the det | ails of hold down |
| CCA(A):                   | 820     | EN  | types of the battery container. |                                 |                   |
| Vibration:                | V3      |     | COVER                           |                                 |                   |
| Endurance:                | E3      |     | Type:                           | Heat Sealed                     | Black             |
| Water consumption:        | W4      |     | Polarity:                       | L                               |                   |
| Technology:               | Flooded |     | Terminals:                      | Standard                        |                   |
| Grid alloy:               | Ca/Ca   |     | Filter:                         | 2 Filters both sides            |                   |
|                           |         |     |                                 |                                 |                   |
| WEIGHT AND STD. DIMENSION |         |     | HANDLES                         |                                 |                   |
| Battery weight(kg):       | 23,40   |     | Handles:                        | 1 Handle                        |                   |
| Volume acid(l):           | 5,01    |     |                                 | REMARK                          |                   |
| Length(mm):               | 302     |     |                                 |                                 |                   |
| Width(mm):                | 172     |     |                                 |                                 |                   |
| Height(mm):               | 220     |     |                                 |                                 |                   |
| Total Height(mm):         | 220     |     |                                 |                                 |                   |
|                           |         |     |                                 |                                 |                   |
|                           |         |     |                                 |                                 |                   |
|                           |         |     |                                 |                                 |                   |
|                           |         |     |                                 |                                 |                   |
|                           |         |     |                                 |                                 |                   |
